

GIVING BACK: A HALLOWEEN MEAL AT FIRST UNITED CHURCH

October 31, 2015

On October 30, 2015, Iredale sponsored a dinner at the church, donating the funds and providing the cleanup and serving labor so 250 people were served a nutritious meal.

To make it a real treat, Iredale staff transformed the meal into a Halloween party. The décor was directed by veteran architect and interior designer Tina Mathur, and the meals were served by cowboys and cowgirls. As guests left, they were given a Jack o' Lantern treat and a hot drink, served from an oversize smoking cauldron.
